

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HJR 683

February 15, 2018

SUMMARY OF ORIGINAL BILL: Urges the State Capitol Commission to require a David Crockett statue or monument to be erected on the State Capitol grounds atop Motlow Tunnel in lieu of the Senator Edward Carmack statue. Requires copies of this resolution be sent to the David Crockett Commission and the State Capitol Commission.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (012942): Deletes and replaces the final preamble clause. Adds language to the original resolution to express the General Assembly's sense that this resolution be implemented and compliant with the Tennessee Heritage Preservation Act and that the Senator Edward Carmack statue be relocated to another state property after the State Capitol Commission consults with the Tennessee State Museum (TSM).

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Tennessee Code Annotated Title 4, Chapter 8, Part 4 created the David Crockett Commission to identify ways and means and raise the necessary funds to erect a monument or statute honoring David Crockett on the grounds of the State Capitol.
- Urging the State Capitol Commission to require the David Crockett monument or statute be erected atop the Motlow Tunnel and relocating Senator Edward Carmack's statue to another state property will not significantly alter the private funds currently being raised by the David Crockett Commission.
- Based on the information provided by the TSM, the proposed amendment will not significantly impact the current policies and operations of the TSM.
- Any increase in state expenditures to transmit a certified copy of this resolution to the specified entities is estimated to be not significant.
